SPECIAL CONDITIONS FOR LOCATION FILMING IN DOWNTOWN LOS ANGELES
(Standard Filming Requirements continue to apply where not superseded below)

1. DEFINITION OF TERMS

a. Downtown Los Angeles, for the purposes of these conditions, shall be defined as the area North to South from the 101 Freeway to the 10 Freeway; East to West from the Los Angeles River to the 110 Freeway.

b. The Downtown Los Angeles Neighborhood Council boundaries (**DLANC boundaries**), for the purpose of these conditions, shall be defined as bordered on the North and East at the 101 Freeway from the 110 Freeway east to Los Angeles Street, south to 4th Street, east to Alameda Street, south to 7th Street, east to the Los Angeles River; on the South by the 10 Freeway from the 110 Freeway to the Los Angeles River; on the West by 110 Freeway from the 10 Freeway to the 101 Freeway. (This area is the same area as defined above as Downtown Los Angeles, but excludes the Little Tokyo and Arts District neighborhoods.)

c. Residential buildings shall be defined as any building with legal residential occupants (mixed-use, adaptive reuse, artist-in-residence (A.I.R.), SROs, residential hotels, condominiums and apartment buildings). DLANC will maintain an accurate and contemporary listing of all residential buildings showing a 100-foot radius from each building so as to identify any areas both inside and outside of that radius.

d. The Broadway Entertainment District (aka Broadway Theatre District), for the purposes of these Conditions, shall be defined north to south as Broadway from 3rd Street to Olympic Boulevard, and east to west from Frank Court to Lindley Place (aka St. Vincent Alley Court), or the equivalent mid-block point to either of these alleys where the alley is not present, including any theater loading facilities, defined as any public or private surface parking lot, parking garage, public street or curb area adjacent to, or utilized by, a theater. If, in the future, the City adopts an ordinance with regulations governing filming in this area, such regulations shall supersede these Filming Conditions.

e. The Old Bank District residential overlay, for the purposes of these Conditions, shall be defined as the area bound by South Spring St., West 5th St., West 4th St., and Werdin Pl.

2. FILMING STANDARD HOURS AND DAYS

a. Filming activity, or any production-related activity including but not limited to activities such as base camps, catering, generators, etc., within the **DLANC boundaries** is restricted to the hours of 6:00 a.m. to 11:00 p.m. within a 100-foot radius of any residential building. Filming activity in the **Broadway Entertainment District** is restricted to the hours of 6:00 a.m. to Midnight within a 50-foot radius of any residential building. **Old Bank District** is restricted to the hours of 7:00 a.m. to 10:00 p.m. within a 100-foot radius of any residential building**.** No extension of the standard filming hours for

NOT A PERMIT

filming or any disruptive production-related activity shall be allowed until a signature survey has been properly submitted. Proof of signature surveys shall be made available to DLANC upon request.

b. No film permits may be issued along Main and Spring Streets from 2nd to 9th Streets, or on any block of 2nd through 9th Streets between Los Angeles and Spring during the Downtown Art Walk, currently held on the second Thursday of each month. Filming inside of private buildings or entirely on private property during this time is permitted so long as there are no external impacts.

c. No filming may be conducted in close proximity to major public events anywhere in Downtown Los Angeles as permitted by the LAPD, or identified with 30 days notice to the City's Designated Film Permit Contractor by DLANC. Film permits may be considered in light of major public events on a case-by-case basis so long as their issuance will not cause further disruption to Downtown businesses and residents during such events.

3. RESIDENTIAL AND MERCHANT PROTECTIONS IN THE DLANC BOUNDARIES

a. A film permit may include no more than 300 feet of curb lane per city block for the parking of film production vehicles, crew or equipment. Requests for additional amounts of curb lane shall require a signature survey. The **Broadway Entertainment District** is exempt from this restriction.

b. Production personnel (and equipment utilized by the production company) shall not block the sidewalk area in front of an open commercial business or a residential building, including residential patios, windows, doorways, or entryways, unless the production company has secured the permission of the merchant and/or property owner. Where the commercial business is one that is primarily open in the evening and nighttime hours, the production company, their cast and crew may not block the access to and signage of such establishment (as seen from the street), without permission of the merchant and/or property owner during the hours of operation of the business.

c. Customers, employees, residents, and guests of affected properties shall be allowed free ingress/egress to all buildings, merchants, and parking facilities. Arrangements shall be made to ensure access to deliveries, trash pickup, residential move-in/move-out, and vendor access to the properties/merchants during productions.

d. All commercial businesses must prominently post hours of operation and contact phone numbers, and residential buildings must have a designated contact person authorized to give permission. Special events held by commercial businesses, outside of normal business hours, must also be posted in advance, and production companies must provide full access and visibility during such events.

NOT A PERMIT

4. NOISE, FUMES, AND LIGHTING WITHIN THE DLANC BOUNDARIES

a. Generators, portable toilets or toilet vehicles, and outdoor food preparation using charcoal or gas grills must be a minimum of 50 feet (horizontally) from any residential window or entrance. If it is physically impossible for a generator to be a minimum of 50 feet from residential windows or entrances, the generator shall be placed as far away as possible and vented away from residential windows and entrances. However, under no circumstances shall a generator be placed directly underneath a residential window.

b. Film productions must focus lighting on the filming area only and make every effort to shield the lighting from adjacent properties, pedestrians, and patrons of commercial businesses at all times. Exceptional lighting (e.g., Musco and Bebee lighting) outside of regular filming hours shall not be allowed without a signature survey of the affected merchants and/or property owners. **Signature survey shall be required for Exceptional lighting within the Old Bank District between the hours of 6:00 p.m. and 6:00 a.m.** Under no circumstances shall lighting be directed onto oncoming traffic.

c. Film production companies are required to completely remove all trash, food, and cardboard boxes, etc. from the general vicinity at the end of each filming day. Film production companies will be held responsible for the actions of catering companies they employ to provide food for the cast and crew.

5. SPECIAL REQUESTS AND EXCEPTIONS REVIEW AND NOTIFICATION WITHIN THE DLANC BOUNDARIES

a. Helicopters shall not be granted permits for landing at non-certified helipads before and after approved filming hours. All aerial filming productions must provide upon request a copy of an approved FAA Form 7711-2, or other official waiver, along with a copy of the briefing on the flight operations for all participating persons or property.

b. No film permit shall be construed as a waiver of 14 CFR § 91.119, 14 CFR § 91.515(a) or 14 CFR § 91.303(e), dictating federal flight altitude regulations, for purposes of non-participating persons or property (see attachment).

c. Notification beyond the standard 500-foot radius will be made to affected residents and merchants for high impact activity that is likely to cause interference with adjacent properties of people such as car chases, simulated gun fire, explosions, screams for help and other loud noises, helicopter activity, road closures or other such exceptional activities that might cause a police response to the filming location. High impact filming activity must be preceded by notifications at least two days in advance. The City's Designated Film Permit Contractor or the production company shall consult a designated DLANC representative when an applicant requests a permit for high impact filming activity with less than two days notice.

SPECIAL FILMING CONDITIONS
LOS ANGELES CITY HALL

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The City of Los Angeles recently completed a $300 million dollar renovation and restoration of the historic Los Angeles City Hall. Since its construction, this unique building has been one of Los Angeles' most popular locations. To preserve and protect the historic integrity of the building, while allowing production to continue, the following Special Filming Conditions have been established.

- **FilmL.A. will coordinate all filming activity at Los Angeles City Hall.**

- **Companies wanting to use City Hall must first reserve the facility through FilmL.A.'s reservation system.** FilmL.A. will maintain a calendar of filming activity, reserved filming activity, and all special events at City Hall. Reservations must be location specific to ensure the area of interest is available.

- **FilmL.A. will coordinate all scouting activity at City Hall**. A General Services representative will be required on all production tech scouts. During the tech scout the production company must provide all anticipated filming activity information. This information should include, but not be limited to, areas to be used for filming, lighting design, movements of cast and crew, equipment storage, equipment parking, catering, base camp, etc.

- **Following the tech scout, the production company must provide FilmL.A. a written, detailed list of final requests,** including, but not limited to, areas to be used for filming, placement of lights, removal or additions of signs, equipment storage, etc. The FilmL.A. permit must reflect all activity in City Hall and surrounding areas. Activity other than what is listed on the permit will not be allowed.

- **Notification of filming will be coordinated and performed by FilmL.A.** FilmL.A. will ensure that the elected officials, city employees and the general public engaged in activity at City Hall are made aware of all film production activity.

- **To ensure agreement between the production company and the City regarding the condition of City Hall and the surrounding areas**, a pre-prep and post-strike walkthrough will be required with a General Services representative.

- **Board of Public Works Hearing Room and the Mayor's Conference room are available for filming on a limited basis.** These rooms are regularly used to conduct city business but will be made available for filming whenever possible.

- **LAPD SECSD Officers will have a 4 hour minimum per officer, per shift, per day.**

- **A production company must cancel a shoot at least 2 business days in advance to avoid incurring any personnel fees.** In the event a shoot should be cancelled in in less than 2 business days, the 4 hour minimums may still be due for the LAPD SECD Officers that were hired to serve the production.

FilmL.A. Inc. DRAFT

- **Refunds for LAPD SECD Officers are at the discretion of LAPD.**

- **Production company must provide LAPD Security Services Office with a complete list of names** of all cast and crew prior to any activity. Certain individuals may be exempt for personal security purposes.

- **Production company must provide badges for all cast and crew.** Badges should include the production company's name or logo.

- **FilmL.A. Monitor(s) and LAPD SECSD Officer(s) will be required for all prep, strike and filming days.** The number of personnel required will be determined by production size, location, and general impact.

- **A Fire Safety Officer will be required for any interior activity on all prep, strike and filming days while the building is open to the public.** Additional scenarios, such as size or impact, may also require the officer on site when the building is closed to the public or all activity is exteriors only.

- **Access for the public and City Hall employees must be maintained always.** Intermittent pedestrian control is permissible during filming when stated on the permit.

- **Company must provide ample public signage regarding filming activity.** If the company plans to cover any signage, they should post photocopies of the covered sign near the original placement until the area is needed for filming.

- **Company must use layout board (or similar material) wherever equipment is moved or placed.** All equipment must have rubber or padded protectors on the equipment feet or equipment bottom.

SPECIAL FILMING CONDITIONS
THE BEL AIR AREA

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

The area included in these Special Filming Conditions is bounded on the south by Sunset Boulevard., on the east by Beverly Glen Boulevard. and on the west by Sepulveda Boulevard. The northern boundary is the north end of the north/south streets excluding Roscomare Road and Stradella Road. Addresses on these two streets under 2000 are within the Bel Air Area.

- **Affected residents must be notified at least two (2) days in advance of the first day of filming or the first day of substantial set preparation.** The affected area shall be any residence within 500 feet of any production activity (including equipment parking, catering, and cast/crew parking). Due to the topography of the area, those distances may include residences on other streets to the rear or side of the film site. *Permit requests must be submitted to FilmL.A. at least three (3) days in advance.*

- **The Bel Air Association must be notified of all filming.** The current contact at the association is Alexandra Benavidaz (310) 474-3527 or email info@belairassociation.org

- **Cast and crew may not park on area streets.** Off-street parking must be provided for personal vehicles.

- **Posting/Parking:** Many streets in the Bel-Air area are narrow and winding and may not accommodate the parking of large vehicles, even when legal parking exists. FilmL.A. and the Bel-Air Association may request a parking plan if there is any question as to the streets ability to safely accommodate production equipment. At least one LAPD officer is required whenever production vehicles, including catering trucks, area parked on the street. The Bel-Air Association rents out the parking lot at 100 Bel-Air Road for any overflow of vehicles on site which includes 12 spaces in total. The cost per day is $500.00.

- **Meals provided by production companies must be consumed in an area out of public view.**

- **Noise created by the generators on certain vehicles such as honey wagons and motor homes must be kept to a minimum.** Failure to adequately control such generator noise will require that the offending generator be stopped or filming terminated. It is suggested that equipment with especially noisy generators be powered instead by the main generator.
